RE: Docket No. 98N-1265

Gentlemen:

As a consumer of healthcare services, I wish to voice my concern and disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

This MOU severely restricts my right to obtain healthcare products from the provider of my choice and it infringes on the rights of compounding pharmacists to serve the medical needs of the public. This clearly is not in the best interests of the public and I respectfully appeal to you to amend the MOU.

Sincerely,

**Sylvia Claffey
Resident of New Mexico**
